		There is 1 missing signature card for Election District <b>02-23</b> . Efforts to find it have been unsuccessful.						
		There are 2 more signature cards than voters in Election District <b>02-25</b> . An examination of the Audit Log for the voting machines used in the district shows machine activation and deactivation without votes being cast in at least two instances that strongly suggest machine that 2 voters left the voting without completing the voting process. The Election Officer(s) operating the voting machine did not record that information on those voters' signature cards.
